Dear Supporter:

The North Texas Crime Prevention Association (NTCPA) will be hosting the **48th Annual Texas Crime Prevention Association (TCPA) Training Conference, July 9-13, 2023, at the Hilton Dallas/Rockwall Lakefront, 2055 Summer Lee Dr., Rockwall, Texas 75032**, and we are pleased to invite you to become an exhibitor or sponsor.

By becoming a TCPA conference exhibitor or sponsor, your organization can assist in the war against crime in Texas as well as gain valuable recognition among crime prevention practitioners throughout Texas. The criminal element continues to evolve, and the goal of the TCPA conference is to bring prevention professionals together to participate in training, gain resources and network to help combat criminal activity in our local communities.

TCPA is looking for exhibitors and sponsors who provide services and products designed to assist law enforcement and subject matter experts in furthering crime prevention efforts. We welcome both non-profit and for-profit organizations as exhibitors and sponsors. The TCPA conference is an excellent opportunity to highlight your products and services that can benefit law enforcement officers and crime prevention professionals throughout Texas.

Our sponsors provide training, breakfast, mid-morning and afternoon coffee bars, and hospitality networking refreshments to our members. We hold a TCPA President's Welcome Reception on Monday evening, an annual business meeting luncheon on Wednesday, and an awards banquet recognizing our members' achievements during the past year on Thursday evening. Your sponsorship will help provide these events to members.

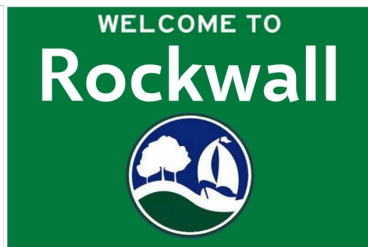

The following information details the amenities and privileges afforded through exhibiting and sponsorships. For your convenience, an exhibitor registration form and sponsorship contract are attached, and should you prefer to register electronically, you can view the information at <https://tcpa.wildapricot.org/2023-Conference-Page>. Also, we welcome door prize sponsorships, and information about donating items/services can be found in this guide.

We appreciate our exhibitors and sponsors as well as your consideration and involvement in our never-ending efforts to prevent crime and victimization in Texas. Should you have questions or need further information, please feel free to contact me via phone at 214-223-5610 or by email at ntcpa1@hotmail.com. Thank you for your consideration.

About TCPA

Created in 1976, the Texas Crime Prevention Association (TCPA) is a 501(c)3 nonprofit organization with membership comprised of law enforcement personnel, security professionals, loss prevention experts, community leaders, and involved citizens from across the state. TCPA is managed by a state board elected by membership and composed of nine affiliated but independent regions. Each region is governed by its own board of directors.

TCPA is a TCOLE-certified training entity dedicated to providing superior course offerings focused on proactive measures to stop crime before it occurs as well as Crime Prevention through Environmental Design (CPTED) strategies. All TCPA training courses are evidence-based and open to members as well as non-member law enforcement personnel, security professionals, and concerned citizens.

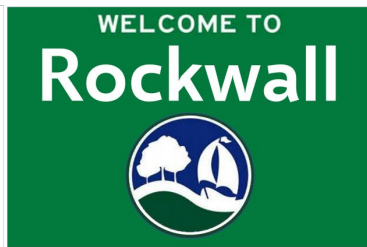

TCPA also offers a Certified Crime Prevention Specialist (CCPS) certification, which can be obtained after completing three core academic courses and passing a comprehensive exam. The TCPA core courses cover physical security, crime prevention methodologies, crime reduction strategies for law enforcement, basic criminology, community engagement, long-term problem solving, HARM-focused policing, public speaking, professional writing, and risk and vulnerability assessments as they relate to TCPA security assessments/surveys.
